

INTRODUCING HYDRAFACIAL™ KERAVIVE™ SCALP HEALTH TREATMENT

A healthy scalp is the foundation for healthy hair. HydraFacial Keravive is a unique and relaxing 3-step treatment designed to cleanse, stimulate, and nourish your scalp and hair follicles for fuller, thicker, healthier-looking hair.

1

CLEANSE & EXFOLIATE (IN-OFFICE)

HydraFacial Vortex Technology extracts dirt, oil and impurities from the scalp and hair follicles while stimulating circulation.

2

STIMULATE & NOURISH (IN-OFFICE)

HydraFacial Keravive Scalp Health Solution delivers a proprietary blend of growth factors and skin proteins to stimulate a healthy scalp.

3

EXTEND & ENHANCE (AT-HOME)

Daily use of the HydraFacial Scalp Health Spray enhances the benefits of the in-office treatment and delivers daily stimulation and nourishment to your scalp and hair follicles.

Not sure if this treatment is right for you? Just like HydraFacial, HydraFacial Keravive is for everyone! Whether you are experiencing hair loss, dandruff, or even if you think your scalp is healthy, this treatment is for you!

**For maximum results alternate throughout the year with AAC PRP Microneedling Treatment

HEALTHY HAIR STARTS WITH A HEALTHY SCALP!

LOVE HYDRAFACIAL? NOW YOUR SCALP WILL TOO!

Did you know that poor scalp health contributes to damaged and thinning hair, and can inhibit the growth of healthy hair? Have you ever thought about what's hiding on your scalp? If you use dry shampoo, hairspray, and styling products, your scalp might need some love. Scalp health is important, and that's why we are now offering the HydraFacial Keravive scalp health treatment. This 3-step treatment will cleanse, exfoliate, and hydrate your scalp, leaving you feeling confident with your scalp health!
